

Project Title

Professor: Adeline Lo // TA: Dillon Laaker
Group Project by Clint Rooker, Ethan Vanderwilden, & Jess Esplin

Presented in PS812 on 12/10/2020

Write-Up Requirements:

(<5 written pages, visualizations not included)

- abstract
- info on what is being replicated + main theoretical argument
- main hypothesis
- brief description of data
- conduct main test
- present visualizations
- summarize results
- critical evaluation:
 - whether improvements on testing of hypothesis can be made
 - whether assumptions are valid
- conduct robustness checks
- propose ways forward on RQ

- 10 min group presentation w/ Q&A

Our group selected the following paper to replicate:

Siegel, Alexandra A., and Vivienne Badaan. 2020. “# No2Sectarianism: Experimental Approaches to Reducing Sectarian Hate Speech Online.” *American Political Science Review* 114:3, 837-855.
